**Member Commitment:**

*I am committing to support Five Oaks Farm for the 2014 growing season and share in the risks and rewards of this local Community Supported Agriculture farm. I understand that my farmers will be using sustainable and chemical-free practices to provide me with a healthy, balanced and bountiful share. I realize, too, that farming varies from season to season and within a season, and despite careful planning and hard work, farming, and thus my share, is susceptible to ornery weather and other acts of nature. I understand that it is my responsibility to pick up my share at the designated time and if I cannot pick-up my share or have it picked up by family member or friend, I will notify my farmer, and understand that my share will be donated to a needy family.*
