3. MEMBER COMMITMENT

I am committing to support Five Oaks Farm for the 2014 growing season and share in the risks and rewards of this local Community Supported Agriculture farm. I understand that my farmers will be using sustainable and chemical-free practices to provide me with a healthy, balanced and bountiful share. I realize, too, that farming varies from season to season and despite careful planning and hard work my share may be susceptible to the weather and other acts of nature. I understand it is my responsibility to pick up my share on time or arrange to have it picked up or delivered, and that if I cannot make it pickup on time my share will be donated.
